I understand the student may be exposed to adult material in the classroom and open laboratories, including libraries, learning centers and computer labs.

I understand that once the student is registered in a college course, he/she is under the rules of the Family Educational Rights and Privacy Act (FERPA) and may not have access to my student's records without his/her written permission or proof that I claimed the student as a dependent on my most recent income tax return.

I understand that students who receive a D or F in a dual credit course are not permitted to continue in the dual credit program.

- My child is aged 15 years and under, and by checking this box, I will assure that I (parent, legal guardian, or authorized responsible adult) will be available on the college campus (but not in the student's classroom) to monitor his/her activities outside of class, in the library, and in open labs in case of emergency.
- For College Credit Only: I understand the high school is not required to count the college course towards high school graduation requirements. I understand the student cannot register for a college credit only course conflicting with the class schedule at the high school.
